

Do you hear but not understand?

Do people seem to mumble, especially in noise?
Do you have difficulty understanding the television?

Help has arrived!

INVISIBEL™

Dear Neighbour,

Polo Park Hearing Centre will offer a [FREE demonstration of the newest developments in hearing technology](#) called Invisibel.

Taking advantage of Audibel's latest hearing science and cutting-edge digital technology, Invisibel hearing aids are designed to improve hearing in noise, eliminate buzzing and whistling, plus enhance TV viewing and phone conversations like never before.

3 DAYS ONLY! 9am - 5pm
November 4th - 6th, 2015

Make an appointment to our FREE demonstration and receive:

- > **FREE** hearing screening using the latest state-of-the-art equipment.
- > **FREE** otoscopic examination for your ears — see your ear canal on a color TV screen.
- > **FREE** demonstration of the Invisibel hearing aids.
- > **FREE** clean and check of the hearing aids you're currently wearing.
- > **0% FINANCING** on select models.

We are only sending this invitation to a select few. But due to the extent of the free services offered, space is limited. Please call early to make sure you get in.

APPOINTMENTS WILL GO FAST!
